Blinded by the light, revved up like a deuce, another  
runner in the night

Blinded by the light, revved up like a deuce, another  
runner in the night

Blinded by the light, revved up like a deuce, another  
runner in the night

Madman drummers bummers, Indians in the summer  
with a teenage diplomat

In the dumps with the mumps as the adolescent pumps  
his way into his hat

With a boulder on my shoulder, feelin' kinda older, I  
tripped the merry-go-round

With this very unpleasin', sneezin' and wheezin', the  
calliope crashed to the ground

The calliope crashed to the ground

But she was...

Blinded by the light, revved up like a deuce, another  
runner in the night

Blinded by the light, revved up like a deuce, another  
runner in the night

Blinded by the light, revved up like a deuce, another  
runner in the night

Blinded by the light, revved up like a deuce, another  
runner in the night

Some silicone sister with a manager mister told me I go  
what it takes

She said "I'll turn you on sonny to something strong,  
play the song with the funky break"

And go-cart Mozart was checkin' out the weather chart  
to see if it was safe outside

And little Early-Pearly came by in his curly-wurly and  
asked me if I needed a ride

Asked me if I needed a ride

But she was...

Blinded by the light, revved up like a deuce, another  
runner in the night

Blinded by the light

She got down but she never got tired  
She's gonna make it through the night  
She's gonna make it through the night

[ guitar solo ]

But mama, that's where the fun is  
But mama, that's where the fun is  
Mama always told me not to look into the eye's of the  
sun  
But mama, that's where the fun is

Some brimstone baritone anticyclone rolling stone  
preacher from the east  
Says, "Dethrone the dictaphone, hit it in it's funny bone,  
that's where they expect it least"  
And some new-mown chaperone was standin' in the  
corner, watching the young girls dance  
And some fresh-sown moonstone was messin' with his  
frozen zone, reminding him of romance  
The calliope crashed to the ground

But she was...

Blinded by the light, revved up like a deuce, another  
runner in the night  
Blinded by the light, revved up like a deuce, another  
runner in the night

Blinded by the light, revved up like a deuce, another  
runner in the night  
Madman drummers bummers, Indians in the summer  
with a teenage diplomat  
(Blinded by the light, revved up like a deuce, another  
runner in the night)  
In the dumps with the mumps as the adolescent pumps  
his way into his hat  
(Blinded by the light, revved up like a deuce, another  
runner in the night)  
With a boulder on my shoulder, feelin' kinda older, I  
tripped the merry-go-round  
(Blinded by the light, revved up like a deuce, another  
runner in the night)  
With this very unpleasin', sneezin' and wheezin, the  
calliope crashed to the ground  
(Blinded by the light, revved up like a deuce, another  
runner in the night)  
Now Scott with a slingshot finially found a tender spot  
and throws his lover in the sand  
(Blinded by the light, revved up like a deuce, another  
runner in the night)  
Now Scott with a slingshot finially found a tender spot

and throws his lover in the sand  
(Blinded by the light, revved up like a deuce, another  
runner in the night)  
And some bloodshot forget-me-not said daddy's within  
earshot save the buckshot, turn up the band  
Some silicone sister with a manager mister told me I go  
what it takes  
(Blinded by the light)  
She said "I'll turn you on sonny to something strong"

She got down but she never got tired  
She's gonna make it through the night
