Talk is cheap, but it can't pay
For all the hurt you threw my way
Oh, no - oh, no

Love is blind but I can see
You're trying to make a fool of me
I know - I know

Sometimes I feel just like I'm running on ice
I might slip and slide girl
But you won't hurt me twice, oh no

Chorus
No matter what you say
You'll never stop me
Breaking down the walls around your heart
No matter what you do
You just can't stop me
Breaking down the walls around your heart

Love is passion, love is pain
The heat is on, we're all insane
I know, I know

Life is bitter, life is sweet
You just can't ever admit defeat
Oh, no - oh, no

Sometimes it feels like we've been fighting too long
It can't be right to make me feel so wrong - oh, no

Chorus

Did you ever feel like superman
Got the world in your hands
But you never can
Seem to break down the walls

Did you ever feel like a drowning man
Got your life in your hands
But you never can
Seem to break down the walls

Sometimes it feels just like I'm running on ice
I might slip and slide girl
But you won't hurt me twice - oh, no

Chorus
