Late again today  
He'd be in trouble though  
He'd say he was sorry  
He'd have to hurry out to the bus

Horace was so sad  
He never had a girl that  
He could care for  
And if he was late once more he'd be out  
oh-oh

Chorus:  
Don't be afraid  
Just Knock on the door  
While he just stood there mublin 'n' fumblin  
Then a voice from above  
Said Horace Wimp this is your life  
Go out and fight your so polite  
Make a stand and be a man  
And you will have a great life planned  
Horace Wimp

Horace met the girl  
She was small and she was very pretty  
He thought he was in love  
He was afraid  
oh-oh

Asked out for a date  
The cafe down the street tomorrow evening  
His head was realing  
When she said yes ok

Chorus  
Horace this is it  
He asks the girlif maybe they could marry  
When she says gladly  
Horace cries  
Boo-hoo

Everybody's at the church  
When Horace rushes in and says

Now here come my wife  
For the rest of my life  
And she dos

Chorus:

Don't be afraid  
Just knock on the door  
While he just stood there mumblin 'n' fumblin  
Then a voice from a above

Make a stand and be a man
