When I was a little boy
My mama dropped me on my head
I felt kinda dizzy but the doctor
Made note of all I did

Chorus

Ever since then theres been a slight disturbance in my
mind
A kind of disarrangement that the surgeons cannot
find

At the age of seven I just couldnt read my abc
But I gave my teacher tips on how the caveman used to
be

Chorus

Reach the age of 21 ain't got no...to fit my clothes
Day and night I'm looning around
Dont know what I'm looking for

Will they carry me away?
Oh will they carry me away?

I was 97 and I'm sure my brain it had enough
Racing round in jet planes cause
My sports car ain't quite fast enough

Chorus

Will they carry me away?
Oh will they carry me away?
