The world outside don't like us much  
'Cause they ain't got our classy touch  
But they ain't good enough to breathe  
This town's good air we make 'em leave

But it's no, no, no  
Really can't do that  
No, no, no  
Down hometown

No monkey business in this town  
Who do you think you're pushing round?  
This town's respectable and clean  
Just look around you'll see what I mean

But it's no, no, no  
Really can't do that  
No, no, no  
Down hometown

Down hometown  
Down hometown  
Down hometown  
Down hometown  
Down hometown  
Down hometown

But it's no, no, no  
Really can't do that  
No, no, no  
Down hometown

We got the best town band around  
Just listen to their crazy sound  
When they get hot they gonna blow  
You see them winnin' every show

Down hometown  
Down hometown  
Down hometown  
Down hometown  
Down hometown

Down hometown

But it's no, no, no  
Really can't do that  
No, no, no  
Down hometown
