Ah sweet little lady used to drive me crazy
Had to stick around to play

Chorus

Down on the bay
Thats where I stay
The clouds are gray
Down on the bay
And thats my home
Cant leave my woman alone

Dont know what I'm missing
But I wouldnt miss the kissing
With lily cause she looks so fine

Chorus

Walking with my lily
Down a road thats pretty chilly
But she makes it like a summer day

Chorus

Sure look so delighted
And I'm getting so excited
Every time you start to play
Down on the bay

Down on the bay
Thats where I stay

Repeat

A-sittin on the bay
Thats where I stay
Thats where I stay

Down on the bay
Thats where ill stay

Down on the...
Thats where ill...
