Oh, you, you're so hard to get to  
Oh, you, you don't wanna play  
You were no better before I sent a letter before  
I sent a dream to you last night  
From the end of the world

Oh, you, you keep me hangin' 'round and 'round and  
'round, 'round  
Oh, you, look at the trouble I've found  
You were no better before, I sent a letter before  
I sent a dream to you last night  
From the end of the world

I saw you last night but you couldn't answer  
You were a lonely little sidewalk dancer  
When I woke up, I could not stand it  
You were gone but I got to hand it to you

Oh, oh yeah, yeah, I sent a dream to you last night  
From the end of the world

Oh, please if this is a game I wish someone would win  
Please just let it fly to me upon the wind  
You were no better before  
(Oh, oh)  
I sent a letter before  
(Yeah, yeah)  
I sent a dream to you baby last night  
From the end of the world

You were no better before  
(Oh, oh, oh, oh)  
I sent a letter before  
(Yeah, yeah, yeah, yeah)  
I sent a dream to you baby last night  
From the end of the world

I sent a dream to you baby last night  
From the end of the world  
I sent a dream to you baby last night  
From the end of the world  
I sent a dream to you baby

From the end of the world
