You shake my nerves and you rattle my brain
Too much love drives a man insane
You broke my will, oh what a thrill
Goodness gracious, great balls of fire

You came on over and took over my heart
You came along and moved me honey
I cannot lie you are so fine
Goodness gracious, great balls of fire

Kiss me baby, whooo, feels good
Come on over baby, love me like a lover should
Your fine, so kind, told this world that your mine, mine,
mine

You pull my fingers and you twiddle my thumbs
Wanna love you but a true love huh
Come on baby, your drive me crazy
Goodness gracious, great balls of fire

[Great Balls of Fire lyrics on]
Kiss me baby, whoo, feels good
Ahhh call me baby, love me like a lover should
Your fine, so kind, wanna tell this world that your mine,
mine, mine

You pull my fingers and you twiddle my thumbs
Wanna love you but it sure is hard
Come one baby, you drive me crazy
Goodness gracious, great balls of fire
Goodness gracious, great balls of fire

You shake my nerves and you rattle my brain
Too much love drives a man insane
You broke my will, oh what a thrill
Goodness gracious, great balls of fire

You get me lonely and you get all my money
You came alone and your with me honey
Come on baby you drive ah me crazy
Goodness gracious, great balls of fire
