Verse

They say there's gold under the stone
They say there's fire in the ice
They say that love is crazy it's true
But what can a poor man do
When he's burned by someone like you

Chorus

In your heart of hearts
Is this romance over
In your heart of hearts
Is there nothing I can do
You made a fool out of this desperate lover
In your heart of hearts
Don't push me away
In your heart of hearts
Don't you want me to stay

Verse

Days of love mean nothing to you
Night of romance and fire
What went wrong with this paradise
What turned the gold to stone
What turned the fire to ice

Chorus

In your heart of hearts
Is this romance over
In your heart of hearts

Is there nothing I can do
You made a fool out of this desperate lover
In your heart of hearts
Don't push me away
In your heart of hearts
Don't you want me to stay

Verse

You can take the fire away
But the flame burns hotter
You can take the love away
But the memory's stronger every day
Can't stop it, can't help it

I'll never forget about you
