See the people all in line
Sneakin' a look at me ? ? ?
Can't imagine that their minds
Are thinkin' the same as me

I can hear the grass grow I can hear the grass grow
I see rainbows in the evening

My heads attracted to
Magnetic wave of sound
With streams of coloured circles
Makin' their way around.

I can hear the grass grow I can hear the grass grow
I see rainbows in the evening

Can't seem to cause allow the sign
My sense color my ? ? ? ?
Get a hold of yourself now baby
See I need you to help now baby
Get a hold of yourself now baby

Put your head down to the ground
And listen to your mind
If you can't spell what you found
I know that you're not my kind

I can hear the grass grow I can hear the grass grow
I see rainbows in the evening

Can't seem to cause allow the sign
My sense color my ? ? ? ?
Get a hold of yourself now baby
See I need you to help now baby
Get a hold of yourself now baby

See the people all in line
Sneakin' a look at me ? ? ?
Can't imagine that their minds
Are thinkin' the same as me

I can hear the grass grow I can hear the grass grow

I see rainbows in the evening
