I looked up in the sky
And saw a phantom plane a-comin'
Shinin' in the dead of night
I heard pilot sayin'
Poems that were written by John Keats or Robert
Browning
He didn't know the words
So I suppose that it was nothing
But I heard them just the same
Doctor let me teach 'em, I just want to please 'em now
Doctor let me reach 'em, I just want to please them now

I looked up in the night
And saw a phantom ship a-comin'
Shinin' in the dead of night
I heard the crew a-hummin'
Tunes that sounded like the Rolling Stones or Leonard
Cohen
They didn't know the words
So I assumed that they was foreign
But I heard them just the same
Doctor let me teach 'em, I just want to please 'em now
Doctor let me reach 'em, I just want to please them now

Oh doctor please believe me
I know you won't deceive me
But do these things I'm seeing
Have any hidden meaning?
It's all good entertainment
It doesn't cost a penny
But please doc let me teach 'em
If I could only reach 'em, my my
But I heard them just the same
Oh, doctor let me teach 'em
I just want please 'em now
I said doctor let me teach 'em
I just wanna reach 'em now
