Listen to the money talk
Listen to it scream
Only lots of paper
But it haunts them in their dreams.

Doesn't matter who they are
Doesn't matter where
Some people can't get enough
That is their only care.

Going in for the kill
In for the kill.

In for the kill, in for the slaughter
In for the thrill of the power game
In for the kill, in for the finish
They've got to win, it's the only way.

In for the kill.

Sitting in a darkened room
Sharing out the land
Someone holds a document
And smiles as they shake hands.

Going in for the kill
In for the kill.

In for the kill, in for the slaughter
In for the thrill of the power game
In for the kill, in for the finish
They've got to win, it's the only way.

In for the kill.

Everywhere you wander,
Wander where you will
Someone's making deals
And going in for the kill.

In for the kill, in for the slaughter

In for the thrill of the power game
In for the kill, in for the finish
They've got to win, it's the only way.

In for the kill, in for the slaughter
In for the thrill of the power game
In for the kill, in for the finish
They've got to win, it's the only way.

In for the kill
In for the kill
In for the kill
In for the kill
In for the kill
In for the kill...
