Daylight comes to those who live
But those who die they never see the sun come
Shining through their window pane they pass away.
Silly girl to be a fool, you didn't play the golden rule,
'Cos once you're through with one world,
There's another waiting there.

CHORUS

Help me such a lonely soul,
In dreams to leave behind the world.
Mr. Kingdom help me please, to find the rainbow's end.

Looking from this empty room,
The corridors of endless gloom go crawling through
the night,
To meet the dawn that's on its way.
Oh to sleep, per-chance to dream,
To live again those joyous scenes,
The laughter and the follies that are locked inside my
head.

CHORUS

Help me such a lonely soul,
In dreams to leave behind the world.
Mr. Kingdom help me please, to find the rainbow's end.

I can dream of flying high,
above the city's cares and never be afraid of anyone
'Cos there ain't no one there.

CHORUS

Help me such a lonely soul,
In dreams to leave behind the world.
Mr. Kingdom help me please, to find the rainbow's end.

Help me such a lonely soul,
In dreams to leave behind the world.
Mr. Kingdom help me please, to find the rainbow's end.
