

## **Electric Light Orchestra "Send It"**

Visit "[Send It](#)" on [MotoLyrics.com](http://MotoLyrics.com)

The sun still shines way up above  
But it don't matter now because  
The dream is gone, the dream is just a memory  
(Oh yeah)  
If you see my dream, send it back home to me

The stars still glow up in the night  
But somehow, they don't seem so bright  
The dream is gone, the dream is just a memory  
(Oh yeah)  
If you see my dream, send it back home to me

'Cause I've been waiting for a long, long time  
Thought I'd found a way  
Now I just wait for someone to call  
I'm waiting for it every day

Send it on the wires  
Send it on a plane  
Send it on an express  
But send it back to me again

The music plays so loud and clear  
But somehow I can't make you hear  
The dream is gone, the dream is just a memory  
(Oh yeah)  
If you see my dream, send it back home to me

When you get what you want, it's a long way down  
And you can see for miles around  
When you lose it, nothing is for real  
If you see my dream, send it back to me

Send it on the wires  
Send it on a plane  
Send it on an express  
But send it back to me again

Send it on the wires  
Send it on a plane  
Send it on an express  
But send it back to me again

Send it  
(Send it, send it)  
Send it, send it  
(Send it, send it)  
Send it on the wires  
(Send it, send it)  
Send it on a plane
