Rain

Rainy day

Rainy day

I'm standing in the rain

I'm waiting all alone

I'm so tired

I wanna go home

I'm standing in the rain

Getting soaking wet

I'm doing my best

But what do I get?

I'm standing in the rain

Can't seem to get along

People rushing by

Wish they should hear the song

Bye bye, I'm standing in the rain

You know, it's streaming down on me

Cats and dogs

Hey, I wanna be free

I'm standing in the rain

Doing my thing

I'm trying my best

What does it bring?

I'm standing in the rain

Getting soaking wet

I'm doing my best

But what do it get?

The good intentions and the pain

I drowned now in the pouring rain

I tried to be so good this time

But here I am under the sky

You know, I tried so hard, yeah

The good intentions and the pain

I drowned now in the pouring rain, rain
