She walks in, and I'm suddenly a hero, I'm taken in, my
hopes begin to rise
Look at me, can't you tell I'd be so thrilled to see the
message in your eyes
You make it seem I'm so close to my dream and then
suddenly it's all there

Chorus:

Suddenly the wheels are in motion, and I, I'm ready to
sail any ocean
Suddenly I don't need the answers
'cos I, I'm ready to take all my chances with you

And how can I feel you're all that matters, I'd rely on
anything you say
I'll take care that no illusions shatter
If you dare to say what you should say
You make it seem I'm so close to my dream and then
suddenly it's all there

chorus

Why do I feel so alive when you're near, there's no way
any hurt can get thru
Longing to spend every moment of the day with you,
with you

chorus
