She walks in, and I'm suddenly a hero, I'm taken in, my  
hopes begin to rise

Look at me, can't you tell I'd be so thrilled to see the  
message in your eyes

You make it seem I'm so close to my dream and then  
suddenly it's all there

Chorus:

Suddenly the wheels are in motion, and I, I'm ready to  
sail any ocean

Suddenly I don't need the answers

'cos I, I'm ready to take all my chances with you

And how can I feel you're all that matters, I'd rely on  
anything you say

I'll take care that no illusions shatter

If you dare to say what you should say

You make it seem I'm so close to my dream and then  
suddenly it's all there

chorus

Why do I feel so alive when you're near, there's no way  
any hurt can get thru

Longing to spend every moment of the day with you,  
with you

chorus
