I have waited for your love for so long  
How do I go on?  
I have told you so many times it's no good  
You're treating me so wrong

Out there so far away  
Above the sky will say for you

Here it comes again  
It's all around me  
It must be magic  
Yeah, yeah, yeah

I can see you in my mind, the lost time  
That you're saving  
I could reach out and touch you, what can I do?  
The sun ain't shining

Out there so far away  
Above all the sky will say for you, only for you

Here it comes again  
(Summer and lightning)  
It's all around me  
(Summer and lightning)  
It must be magic  
(Summer and lightning)  
Yeah, yeah, yeah

Here it comes again  
I can feel it, feel it, feel it, feel it, feel it

Here it comes again  
(Summer and lightning)  
It's all around me  
(Summer and lightning)  
It must be magic  
(Summer and lightning)  
Yeah, yeah, yeah

Oh, here it comes again  
(Summer and lightning)

I can feel it  
(Summer and lightning)  
It's all around me  
(Summer and lightning)  
Yeah, yeah, yeah  
(Summer and lightning)
