No other face could take you off my mind
You're so refined - you're much too kind
I have to warn you I'm never gonna set you free
'Cause I was born to love you for eternity

Chorus:

Whenever you're away from me, wherever you go
You're never far away from me, I want you to know
I only have to close my eyes dear, and suddenly I'm
where you are
You better never stray, 'cos I'll never be far away

On every breeze I seem to hear your name
My heart's aflame - I feel the same
I'd fall apart dear, if you let the feelin' end
Don't break a heart dear nobody else could mend

chorus

(Instrumental break)
