She sparkle like my jean
She more than seventeen
Seems keen in other words
She must have been
A former beauty queen
Now she's a naughty girl

Chorus

Wild wild wild tiger woman
(wild wild wild wild)
You move me very fast
But can you last another day
Get out of the way
Wild wild tiger woman
(wild wild wild wild)
You gonna break you're little fall
They call her the wild tiger woman

Tied to the bed
Tied to the bed
Shes waitin to be fed
No pay to sir aday (?)
Cant see an ounce of reason in her head
Dont laugh and turn away

Chorus

Need another girl to come and grab her by the tail
As I was hoping that the ground would open up and
take me in
Life is so obscene and the remarks that go unseen
Are being diminished to the earth
Ill never find another girl

All in the race
Such a friendly face
Seems clean and upper-class
Young indecisive
Minds are in a maze
She lose me very fast

Chorus
