You made a fool of me
But them broken dreams have got to end
Hey woman, you got the blues
'Cause you ain't got no one else to use

There's an open road that leads no where
So just make some miles between here and there
There's a hole in my head where the rain comes in
You took my body and played to win
Haha, woman, it's a crying shame
But you ain't got nobody else to blame

Evil woman, evil woman
Evil woman, evil woman

Rolled in from another town
Hit some gold, too hot to settle down
But a fool and his money soon go separate ways
And you found a fool lying in a daze

Haha, woman, what you gonna do?
You destroyed all the virtues that the Lord gave you
It's so good that you're feeling pain
But you better get your face board the very next train

Evil woman, evil woman
Evil woman, evil woman

Evil woman, how you done me wrong
But now you're to wail a different song
Haha, funny how you broke me up
You made the wine, now you drink a cup

I come running every time you cried
I thought I saw love smiling in your eyes
Haha, very nice to know
That you ain't got no place left to go

Evil woman, evil woman
Evil woman, evil woman
