Music: Olbrich/Kursch

Lyrics: Kursch

Welcome to my realm

We are both condemned to live

It's a dark fate

(I can hear your calls

I can hear your calls)

THE ETERNAL LIFE

I see it still burns

Each night I cry in pain

Alive

Through the end appears my friend

CHORUS

And blood tears I cry

You've searched and you've found

Cut off your old friends hand

My mind's

In frozen dreams

The rotten flesh

Of bitter lies

Welcome to where time stands still

Noone leaves and noone ever will

Can't hold it

It burns

Each night I cry in pain

CHORUS

And blood tears I cry

Endless grief remained inside

And blood tears I cry

Endless grief remained inside

It seems so clearly

Bent the bow

Cause life in me is gone

And a cruel wind's blowing cold

And a cruel wind's blowing cold

In blame

And life it shall wane

Each night I cry in pain

CHORUS

And blood tears I cry

Endless grief remained inside

Cut off your old friends hand
