(Lead: Andre)

White hair and red eyes
he's holding the crown
the king of the island
Elric of Melnibon?
he's born for destruction
he's ruled by the gods
eternal hero
the scale of the universe
Blood on his hands
he's born a thousand times
why don't we feel the signs
from the dragon king

(Lead: Andre)

Before the end of fire his journey starts
the eagle's spreading his wings
following his fate
he's ruled from anywhere
leads him to the truth
it's deep inside
Hail to the king
they'll bless tonight
he's the Saviour of our time
In a dark land far behind
no one knows it's name
there's a dark sword cold as ice
a blade created for him
Stormbringer cries
for the soul of everyone
Stormbringer crues
"The ending has begun"

Ref.:

Run fast to Madness
Forever I
Run fast to Madness
Leave him alone

(Solo: Andre)

Ref.

Destiny's calling him back to the island
And time? time is standing still
time is not real

time is not real
Armed with weapons awaiting the fight
he's leading the dragon
the sun will never rise
creatures are lurking
in darkness they hide
high in the sky the dragon king is flying
(Lead: Andre)
Hail to the king of Melnibon?
he's the Saviour of our time
Mourning deserts rottingness
blade of dark will rise
gods devine
are hiding in the dark
needing Elric's hand
Stormbringer cries:
"I'm forged in darkest time"
Stormbringer cries:
"The ending has begun"
Ref.
(Harmony Lead: Andre)
