Give it to me  
I must have it  
Precious treasure  
I deserve it

Where can I run?  
How can I hide?  
The Silmarils  
Gems of treelight

Their life belongs to me  
Oh, it's sweet  
How the darkness is floating around

We are following  
The will of the one  
Through the dark age  
And into the storm

And we are following  
The will of the one  
Through the dark age  
And into the storm  
Lord, I'm mean

Black heart show me  
What you hold in your hand  
I still hunger for more  
Release me from my pain

Give it to me  
How I need it  
How I need it  
How I need it

Where can I run?  
How can I hide?  
The Silmarils  
Gems of treelight

Their life belongs to me  
Oh, it's sweet

How the darkness is floating around

We are following  
The will of the one  
Through the dark age  
And into the storm

And we are following  
The will of the one  
Through the dark age  
And into the storm  
Lord, I'm mean

I did my part  
Now it's your turn  
And remember  
What you've promised

Where can I run?  
How can I hide?  
The Silmarils  
Gems of treelight

Their life belongs to me  
Oh, it's sweet  
How the darkness is floating around

We are following  
The will of the one  
Through the dark age  
And into the storm

And we are following  
The will of the one  
Through the dark age  
And into the storm  
Lord, I'm mean
