There are signs on the ring  
Which makes me feel so down  
There's one to enslave all rings  
To find them all in time  
And drive them into darkness  
Forever they'll be bound

Three for the Kings  
Of the elves high in light  
Nine to the mortal  
Which cry

I'll keep the ring full of sorrow  
I'll keep the ring till I die  
I'll keep the ring full of sorrow  
I'll keep the ring till I die

Slow down and I sail on the river  
Slow down and I walk to the hill  
Slow down and I sail on the river  
Slow down and I walk to the hill

And there's no way out, oh

Mordor, Mordor  
(Mordor, Mordor)

Dark land under Sauron's spell  
Threatened for a long time  
Threatened for a long time

Seven rings to the dwarves  
In their halls made of stone  
Into the valley, into the valley  
I feel down

One ring to the Dark Lord's hand  
Sittin' on his throne  
In a land so dark  
Where I have to go

I'll keep the ring

I'll keep the ring  
I'll keep the ring  
(I'll keep the ring)  
I'll keep the ring till I die

Slow down and I sail on the river  
Slow down and I walk to the hill  
Slow down and I sail on the river  
Slow down and I walk to the hill  
(I'll keep the ring)

Slow down and I sail on the river  
Slow down and I walk to the hill  
Slow down and I sail on the river  
Slow down and I walk to the hill

Lord of the rings
