[The Chordettes cover]

[Music and lyrics by P. Ballard.]

Mister Sandman, bring me a dream  
Make her cutest that I've ever seen  
Give her two lips like roses in clover  
Then tell her that her lonesome nights are over

Mister Sandman, I'm so alone...

Mister Sandman, bring me a dream  
Make her cutest that I've ever seen  
Give her the word that I'm not a rover  
Then tell her that her lonesome nights are over

Mister Sandman, I'm so alone...

Mister Sandman, bring us a dream  
Give her a pair of eyes with a congeal of gleam  
Give her a lonely heart like Harlehatschi  
And not so wavy hair like Liberachi  
Mister Sandman, someone to hold  
Would be so peachy before we're to old  
So please turn on your magic beam  
Mister Sandman, brings us  
Please, please, please
