Lyrics: Kursch

No sign of life did flicker
In floods of tears she cried
"All hope's lost it can't be undone
They're wasted and gone"
"Save me your speeches
I know (They blinded us all)
What you want
You will take it away from me
Take it and I know for sure
The light she once brought in
Is gone forevermore"
Like sorrowful seaguls they sang
"(We're) lost in the deep shades
The misty cloud brought
(A wailing when beauty was gone
Come take a look at the sky)
Monstrous it covered the shore
Fearful into the unknown
Quietly it crept in new horror
Insanity reigned
And spilled the first blood
When the old king was slain

CHORUS

Nightfall

Quietly it crept in and changed us all

Nightfall

Quietly it crept in and changed us all

Nightfall

Immortal land lies down in agony

"How long shall we

Mourn in the dark

The bliss and the beauty

Will not return

Say farewell to sadness and grief

Though long and hard the road

May be"

But even in silence I heard the words

"An oath we shall swear

By the name of the one

Until the world's end
It can't be broken"
Just wondering how
I can still hear these voices inside
The doom of the Noldor drew near
The words of a banished king
"I swear revenge"
Filled with anger aflamed our hearts
Full of hate full of pride
We screamed for revenge
CHORUS
"Vala he is that's what you said
Then your oath's been sworn in vain
(But) freely you came and
You freely shall depart
(So) never trust the northern winds
Never turn your back on friends"
"Oh I'm heir of the high lord"
"You better don't trust him"
The enemy of mine
Isn't he of your kind and
Finally you may follow me
Farewell
He said
CHORUS
Back to where it all began
