Would you believe  
In a night like this?  
A night like this  
When visions come true  
Would you believe  
In a tale like this?  
A lay of bliss  
We're praising the old lore  
Come to the blazing fire and  
See me in the Shadows  
See me in the Shadows  
Songs I will sing  
Of runes and rings  
Just hand me my harp  
And this night  
Turns into myth  
Nothing seems real  
You soon will feel  
The World we live in  
Is another skald's  
Dream in the shadows  
Dream in the shadows  
Do you believe  
There is sense in it  
Is it truth or myth?  
They're one in my rhymes  
Nobody knows  
The meaning behind  
The weaver's line  
Well nobody else  
But the Norns can  
See through  
The blazing fires of time and

All things will proceed as the  
Child of the hallowed  
Will speak to you now  
See me in the Shadows  
See me in the Shadows  
Songs I will sing  
Of tribes and kings  
The carrion bird

And the hall of the slain  
Nothing seems real  
You soon will feel  
The World we live in  
Is another skald's  
Dream in the shadows  
Dream in the shadows

Do not fear for my reason  
There's nothing to hide  
How bitter your treason  
How bitter the lie  
Remember the runes  
And remember the light  
All I ever want  
Is to be at you side  
We gladden the raven  
Now I will  
Run through the blazing fires  
That's my choice  
Cause things  
Shall proceed as foreseen
