The giant's lost  
And all round him  
Destructed for what  
They all knew what it meant  
But they couldn't change it  
Lord they had gone too far  
Leave them alone

It's all gone  
What is left behind  
On a desert we called earth  
When the last whale went away  
Did they ever see the tears

Don't fear Your last step  
From the theatre of pain  
And the children will love Your singing  
From the sea  
The sea is calling  
Now we've to leave it

The sea was clear  
On the day I was stranded  
Answers I'd known  
To keep this all alive  
But I can't change it  
Forever

(Solo)

Now I'm gone  
And it seems that life had never existed  
So we left the dark and cold  
All I left behind are my tears

Don't fear Your last step  
From the theatre of pain  
And the children will love Your singing  
From the sea  
The sea is calling  
I hear them calling
