Midnight on the water  
I saw the ocean's daughter  
Walking on a wave she came  
Staring as she called my name

And I can't get it out of my head  
No, I can't get it out of my head  
Now my old world is gone for dead  
And I can't get it out of my head, no

Breakdown on the shoreline  
Can't move, it's an ebbside  
Morning don't get here tonight  
Searching for her silver light

And I can't get it out of my head  
No, I can't get it out of my head  
Now my old world is gone for dead  
And I can't get it out of my head, no no

Bank job in the city  
Robin Hood and William Tell and Ivanhoe and Lancelot  
They don't envy me  
Sitting till the sun goes down  
In dreams the world keeps going round and round

And I can't get it out of my head  
No, I can't get it out of my head  
Now my old world is gone for dead  
And I can't get it out of my head, no no

And I can't get it out of my head, no, no  
No, I can't get it out of my head  
Now my old world is gone for dead  
And I can't get it out of my head, no, no, no, no
