I've got your answers, they're on my ribcage.
And I'm laughin' in the pouring rain.
I've seen your family, they look like monsters.
And I'm dancin' on a nameless grave.

Bored enough to call it off,
And dumb enough to think to stop.
And don't believe the flapping gums,
Cause I know they've got us in their targets.
But I can't tell if it's a joke,
You're so intent on goin' broke.
I know that I won't miss them and I,
Won't waste my time and kiss them away.

I've got my questions,
You never solve them.
Cause I'm laughin at your ball and chains.
I've seen your nightmares,
I'm always in them.
And I'm stompin' on your precious name.

Bored enough to call it off,
And dumb enough to think to stop.
And don't believe the flapping gums,
Cause I know they've got us in their targets.
But I can't tell if it's a joke,
You're so intent on goin' broke.
I know that I won't miss them and I,
Won't waste my time and kiss them away.

I've got your answers,
They're on my ribcage.
And I'm laughin' in the pouring rain.
I've seen your family,
They look like monsters.
And I'm dancin' on a nameless grave.

I'd like to say it ain't true,
But things will never stop and now they're coming for
you.
(I've got my questions)
And if we can't relax we'll have to fight till we lose it all.

(You never solve them)
Cause I'm laughin' at your ball and chains.
(But we'll go down with our fists up!)

I'd like to say it ain't true,
But things will never stop and now they're coming for
you.
(I'm in your nightmares)
And if we can't relaxed we'll have to fight till we lose it
all.
(I'm always in them)
And I'm stomping on your precious name.
(But we'll go down with our fists up!)
