REF 3x:

I won't lie anymore  
You're the one who's loving my soul  
You belong to me...and all you're love  
We can't die so easy....  
I'm in love

I am holding all you're love  
Stay forever  
Let my rain fall down on you  
Crying rivers  
Deep in you're eyes  
Silence forever

I want you to have my soul  
Take it baby  
Have my love forever strong  
No deny~ng  
Close to my heart  
Stay forever...

REF 4x:

I won't lie anymore  
You're the one who's loving my soul  
You belong to me...and all you're love  
We can't die so easy....  
I'm in love
