Bite Me

by Electric Six

Are you ready for my Sucky-Sucky?
Are you ready to be set free?
Are you ready to Syphon Gasoline?
Are you ready for the number 3?
Are you ready for big, big savings?
Are you ready for the Master's Hand?
Are you ready for my Bloody-Bloody?
Are you ready to?
Sing are you ready to bite me?
Delight me
I'll pay handsomely for you to excite me
Your body is something I might not survive,
So bite me!
Bite me!

Are you ready for the Devil's Daughter?
Are you ready for the Soylen Green?
Are you ready for Unholy Water?
Are you ready for my Fuckin' Machine?
Are you ready for American Strike-Force?
Are you ready for the Mystery Meat?
Are you ready for my Crazy-Crazy?
Are you ready to?
Sing are you ready to bite me?
Delight me
I'll pay handsomely for you to excite me
Your body is something I might not survive,

So bite me!
Bite me!

Go!
People heading for a dirty future...
People lining up a party ball...
People sucking on their computer...
They have accountants pay for it all...
We were so in love...
We were so in love...

We were so in love...
We were so in love...
We were so in love...
We were so in love...
We were so in love...
And we were ready to bite me!
Delight me
I'll pay handsomely for you to excite me
Your body is something I might not survive,
So bite me!
Bite me!

Come on and bite me!
Delight me
Our plane hasn't leave for you to excite me
Your body is something I might not survive,
So bite me!
