

Electric Six "Countdown To the Countdown"

Where you gonna be when they can't control ya?
See you come around and they gonna roll ya.
See you in the ghetto like the chola cola.
They start the countdown.

Now you with somebody wanna throw you a bone
Looking for a conflict to call your own
Well, here's another song about the danger zone
It's about to go down

35 seconds til the countdown starts
25 seconds til the countdown starts
94 seconds til the countdown starts
It's the countdown to the countdown

Time elapses
Love collapses
Over and over
Come over
Red rover
Our ship sails from Dover
It's cargo is time

Hey, good-lookin' with the helmet on

Driving real fast on the Autobahn
Staring at yourself up on the Jumbotron
They stop the countdown

35 seconds til the countdown starts
25 seconds til the countdown starts
94 seconds til the countdown starts
It's the countdown to the countdown

Can't stop listening
Can't stop watching
I need a product to use
Can't stop listening
Can't stop watching
It's called payin' your dues
Can't stop listening
Can't stop watching

They put a movie on TV
Can't stop listening
Can't stop watching
It's called payin' your dues
It's called payin' your dues
