Dance epidemic tonight

Your body goes to waste  
Every minute you don't give it to me  
I'm dyin' for your sins on the dance floor  
Can't you see?

You know it's still on my mind  
Still on my mind, still on my mind  
It's still on my mind  
Still on my mind, still on my mind  
I want it so bad but I'm never gonna get it  
This girl's on fire, it's a dance epidemic

Baby, looks like a dance epidemic to me  
I'm seein' things I thought I'd never see  
Dance epidemic tonight, start again tonight

You've got your nice apartment  
West L.A., Wilshire and Bundy  
Is that where you get your kicks now, honey?  
Is that where you spend your money?

You know it's still on my mind  
Still on my mind, still on my mind  
It's still on my mind  
Still on my mind, still on my mind  
I want it so bad but I'm never gonna get it  
This girl's on fire, it's a dance epidemic

Baby, looks like a dance epidemic to me  
I'm seein' things I thought I'd never see  
Dance epidemic tonight, start again tonight

It's getting harder to breathe  
Your sexy lies cutting into me  
I want it so bad but I'm never gonna get it  
This girl's on fire it's a dance epidemic

It's a dance epidemic

Baby, looks like a dance epidemic to me

I'm seein' things I thought I'd never, never see  
Dance epidemic tonight, start again tonight
