[Incomprehensible]

Devil nights, devil nights  
Nights with the devil  
Driving around the city

Everything is wrong  
But you know it feels right  
Spending all your money  
On the electric light

Handing over your last dollar  
Just to make the devil scene  
Drinking all the drinks  
Inside the devil limousine

Devil nights, devil nights  
Nights with the devil  
Driving around the city  
Nights with the devil  
Driving around the city

She was [incomprehensible]  
You owe me money  
She was [incomprehensible]  
You owe me money

Rolling up into the club  
Just to drop the devil mixes  
Branding all the young girls  
With triple sixes

Dance, dance, dance  
Dance, dance, dance  
Dance, dance

Nights with the devil  
Driving around the city  
Nights with the devil  
Driving around the city

She was [incomprehensible]

You owe me money  
She was [incomprehensible]  
You owe me money

Devil nights, devil nights  
Devil nights, devil nights

[Incomprehensible]  
You owe me money
