[Woman: I say there's nothing wrong with liking a
flashy man]

Flashy man!

[Flashy...flashy...flashy...flashy]

Flashy man!

[Flashy...flashy...flashy...flashy]

Leaving all his troubles in a trashcan

[Flashy...flashy]

Running all his money through Tajikistan

[Flashy...flashy...flashy...flashy]

[Flashy...flashy...flashy...flashy]

He won't apologise

'Cos he's not sorry

You're the station wagon

To his Ferrari

Ain't nothing wrong with a flashy man

Son of Sam

Flashy man!

Every night he has another number one fan

He won't apologise

'Cos he's not sorry

He's the X-Box

To your Atari

Look out here comes the flash!

[Oh yeah!]

Flash!

[Woman: He's in a predator mode]

Flashy man!

[Flashy...flashy...flashy...flashy]

Flashy man!

[Flashy...flashy...flashy...flashy]

Locking his emotions in a tin can

He's hitting all your walls and working the middle

Stay (?) up or play like a fiddle

Look out here comes a flash!

[Flashy...flashy...flashy...flashy]
