"I Lost Control (Of My Rock 'N' Roll)"

I lost control
Of my rock 'n' roll
I lost control
Of my rock 'n' roll

And do you think a boy like me
Could have a chance with a girl like you?

I like the night life
Do you like the night life?
I like to party
Do you like to party?
I like my body
Do you like my body?

I lost control
Of my rock 'n' roll
I lost control
Of my rock 'n' roll

And now they're running me out of town
Now they're running me all around

And do you think a boy like me
Could have a chance with a girl like you?

I like the night life
Do you like the night life?
I like to party
Do you like to party?
I like my body
Do you like my body?
