The need to turn it up is overwhelming  
I just can't sit still anymore  
I wanna break things with my hammer  
I wanna start a little war

Isn't that what this little red button here is for?

Ooh!

I wish this song was louder!  
Ooh!

I wish this song was louder!

Evil policeman patrol the city  
They look for somebody to kill  
They've done a little damage  
They wanna do some more now  
And they probably will  
And they probably will  
Ooh!

I wish this song was louder!  
Ooh!  
I wish this song was louder!

One night I had a vision  
That the world was taken over  
By a race of dirty filthy birds  
I dropped to my knees  
And I begged for mercy  
But they never understand a word  
No I was never heard

Hey now cheeky monkey!  
Ooh!

Take a ride on the dirty donkey!  
Ooh!

I wish this song was louder!  
Ooh!

I wish this song was louder!  
Ooh!
