Everybodies doin,
What they shouldn't be doin
Everybodies doin it
In the middle of the street
Everybodies movin
What they shouldn't be movin
Everybodies moving it in the middle of the street

Improper dancing in the middle of the street x3
Somebody better notify the cheif of police

Every bodys freakin
Who they shouldn't be freakin
Every bodys freakin in the middle of the street
Every bodys showin
What they shouldn't be showin
Every bodys showin it in the middle of the street

Improper dancing in the middle of the street x3
Man those ppl must have demons livin in their feet

And i want to reach into the fire of your heart
I want to program all those beats right from the start
Have you ever been to NEW YORK CITY?!

And music starts to play (play)
Bodies start to sway (sway)
The devil is the dj in the middle of the street
Beats are droppin
Bodies rockin
Hearts are stoppin
Electric shockin
I can't believe what i am seeing
In the middle of the street

Improper dancing in the middle of the street x3
Somebody better notify the cheif of police
