Well nobody wants to burn in Hell  
But everybody's got a soul to sell.  
When I was young my mama gave me some advice  
She said "Boy, don't you know everybody's got a  
price?"  
I make lots of money, I make more money than you  
I drive around in my limo, that's what I was born to do  
And I might like you better if we fought together  
If it's not to be then know that I got somethin' better for  
ya:  
Naked pictures of your mother  
Naked pictures of your mother  
Naked pictures of your mother GO  
Solo!  
I dropped a bomb on Japan  
I was a hostage in Iran  
I'm the ugly American  
Now I'm a government man  
A government man!  
And I make lots of money, I make more money than  
you  
I drive around in my limo, that's what I was born to do  
And I might like you better if we fought together  
If it's not to be noted I got somethin' better for ya:  
Naked pictures of your mother  
Naked pictures of your mother  
Naked pictures of your mother GO
