"Waste Of Time And Money"

Once I saw the galaxies in your Jack and Coke eyes,
And the sacrificial temple where your monster always
dies.

Once I wrote a gospel out of every word you say,
And now you're on the front page of the USA Today.
Cutting to the front of the line I find my mind
Is no place to raise a family.

And I was looking all over for you, baby.

You were always right in front of me.

And tonight I'm declaring your love to be a waste of
time and money.

Once I raised alpacas with your pet Komodo dragon,
While I was eating cardboard in my father's station
wagon.

Once I sold everything I owned to buy you a diamond
ring,

And now you're over at CNN sitting down with Larry
King.

After 5 bottles of wine my friends opine that I should
consider therapy,

But they've clearly never been with you, baby,

They don't know about the things that you've told me,
And tonight I am declaring my life is a joke no longer
funny.

All publicity is good publicity

When you sell your conscience in this city

Achieving high elasticity

Shock resistant with electricity
