Have you ever done the right thing?  
Is it heavy on your mind?  
Like a monkey on a mood swing  
Chewing on the bark

Not feel satisfaction  
Slice of pure belief  
Can't beat that pure release

Have you ever done the right thing?  
Is it heavy on your mind?  
Here comes another mood swing  
Tearing up your soul

Not feel satisfaction  
Slice of pure belief  
Can't beat that pure release

Are you ready to fight now you're innocent?  
Ready to fight now innocent victim  
Ready to fight now you're innocent?  
Ready to fight now innocent victim

Have you ever done the right thing?  
Is it heavy on your mind?  
Like a monkey on a mood swing  
Chewing on the bark

Not feel satisfaction  
Slice of pure belief  
Can't beat that pure release

Are you ready to fight now you're innocent?  
Ready to fight now innocent victim  
Ready to fight now you're innocent?  
Ready to fight now innocent victim
