Hey baby,
You know you're only
A passing thought
Don't think that you know me.
Hey baby
You know you're only
An impulse that faded out slowly.
(Slowly) Slowly faded out slowly
(Slowly) Slowly Slowly

It's the last look I'll ever give you
The last look set to kill.
There's no use I'm automatic
You've never had it and you never will.
It's the last look I'll ever give you
The last look set to kill.
There's no use I'm automatic
You've never had it and you never will.

I'm automatic [x4]

Hey baby
You know you're only
A passing thought don't think that you know me.
Hey baby
You know you're only
An impulse that faded out slowly.
(Slowly) Slowly faded out slowly
(Slowly) Slowly Slowly

It's the last look I'll ever give you
The last look set to kill.
There's no use I'm automatic
You've never had it and you never will.

[X2]

Whoa
So let me break it down now

Break it down now
I'll break it down now anyway you want me to.
Break it down now.
I'll break it down now, I'm never gunna be with you.
I'm never gunna be with you.
I'm never gunna be with you.

Automatic [x4]

It's the last look I'll ever give you
The last look set to kill.
There's no use I'm automatic
You've never had it and you never will.

The last look set to kill.
There's no use I'm automatic
You've never had it and you never will.
