I didn't mean to run away boy
But you didn't have to change your mind
I'm wasting all of my chances
you're wasting all of my time

I didn't want a phone call
I didn't want your memory
I didn't want our photograph on the wall reminding me

I can't breathe on my own
I just wanted you
I can't breathe on my own
I just wanted you
I can't breathe on my own
I just wanted you
I can't breathe on my own
yeah I just wanted you

I didn't mean to ruin your evening
but I didn't want to wait outside
I'm not the only one who notices
you're not the only one who tries

I didn't want a phone call
I didn't want your memory
I didn't want our photograph on the wall reminding me

I can't breathe on my own
I just wanted you
I can't breathe on my own
I just wanted you
I can't breathe on my own
I just wanted you
I can't breathe on my own
yeah I just wanted you

yeah I just wanted you
I didn't want a phone call
I didn't want your memory
I didn't want our photograph on the wall reminding me

I can't breathe on my own
I just wanted you
I can't breathe on my own
I just wanted you
I can't breathe on my own
I just wanted you
I can't breathe on my own

I can't breathe on my own
I just wanted you
I can't breathe on my own
I just wanted you
I can't breathe on my own
I just wanted you
I can't breathe on my own
I just wanted you

yeah I just wanted you
