If you loved me
Half as much as you said you did
Why'd you leave me?
(leave me)
Break my heart then come back again
If you loved me,
Turn around and just let me go
From the first time,
(first time)
Hurt more than you could ever know
Now look at me, baby
(it's time to turn your head)

chorus:
Now look at me, baby
(and I really think we need it)
You told me that you loved me,
But I guess you didn't mean it
You told me that you loved me,
But I guess you didn't mean it

Didn't mean it (x3)
(told me that you loved me)
Didn't mean it (x3)
(didn't fucking mean it) (x3)

If you loved me
You proved how much that november night,
When you left me
(love love loved me)
It tooked to you just to
Change your mind
If you loved me
Understand why I can't pick up,
When you call me
(call call call me)
Sorry, but you were just too much

Chorus

(told me that you loved me)

I guess you didn't mean it
(told me that you loved me)
You didn't fucking mean it
(told me that you loved me)
Told me that you loved me,yeahh
(told me, told me, told me that you loved me)
You didn't fucking mean it

Chorus

I guess you didn't mean it
