Dope priest prophecy
Doomantra from beneath the sea
Green throne, raised to the black sun
Doom child, wake to planet song

Rise, black amps tear the sky
Feedback will free your mind and set you free
Rise, black amps tear the sky
Riff hewn altar wreathed in smoke and weed

Dopethrone, in this land of sorcery
Dopethrone, vision through T.H.C.
Dopethrone, feedback will free
Dopethrone, three wizards crowned with weed, yeah

Black monolith charged with unlight
Sacrifice to forever midnight
Towers, titan sonic wave
Sorcery, necromantic slaves

Rise, black amps tear the sky
Feedback will free your mind and set you free
Rise, black amps tear the sky
Riff hewn altar wreathed in smoke and weed, yeah

Dopethrone, in this land of sorcery
Dopethrone, vision through T.H.C., yeah
Dopethrone, feedback will free, yeah
Dopethrone, three wizards crowned with weed, yeah

In this land of sorcery
Vision through T.H.C.
Holy feedback, it will free
Three wizards crowned with weed
