Dunwich child  
You know not your fathers name  
Dope numbs the pain  
Ascend dark wooded hills to kane  
Your mothers witches  
Burnt at the stake for sorcery  
You were conceived  
Upon the altar, rites obscene

Child of Dunwich rise  
You have your fathers eyes  
Child of Dunwich rise  
End the world that you despise

Dunwich child,  
Of whispered past now they'll learn  
High on the hill  
Black clouds gather, now they'll burn  
Bay at the stars  
Why was I born at all?  
Hear voices of doom  
From other world your fathers call

Our time has come  
The end has begun...
