Dying sun fades in our sky  
The time has come for us to say goodbye  
Construct the pods, we must evacuate  
To the stars again, is this to be our fate?

Oh, baby, just maybe we'll take you  
To the sun of nothingness  
Oh, baby, just maybe we'll take you  
To the sun of nothingness

We left the war pigs far behind  
Plot apocalyptic course to find  
Will we ever reach our journey's end  
To find a world and start again?

Oh, baby, just maybe we'll return  
To the sun of nothingness  
Oh, baby, just maybe we'll return  
To the sun of nothingness

Dying sun fades in our sky  
The time has come for us to say goodbye  
Construct the pods, we must evacuate  
To the stars again, is this to be our fate?

We left the war pigs far behind  
Plot apocalyptic course to find  
Will we ever reach our journey's end  
To find a new world and start again?
