From ancient Yuggoth, black rays emit  
Evils narcotic cyclopean pits  
In dark babelian towers await  
Lie dreaming until the time will awake  
What man has seen unknown Kadath  
Whose dreamy angles, confused and trapped  
Beyond the frozen waste you will find  
Hyperborean continent entombed from time  
From ancient Yuggoth, black rays emit  
Evils narcotic cyclopean pits  
In dark babelian towers await  
Lie dreaming until the time will awake, yeah  
Black chant mirrors the song of the stars  
Open the abyss dreamt from afar  
Abominations drawn to our dimension  
Feed black desires, aid human ascension  
Black chanting grows  
From caverns below  
Echo through time  
Reveal the sign  
From ancient Yuggoth, black rays emit  
Evils narcotic cyclopean pits, yeah  
In dark babelian towers await  
Lie dreaming until the time will awake, yeah
